Dear Committee Secretary, Members and Senators,

## **Postal Bank Option**

I am a fourth-generation Australian citizen.

Over the last twenty years, successive governments, have engaged in an accelerated sale of publicly owned resources and infrastructure for short term gains.

I am writing this submission to voice my concern for the future of regional banking services. A Commonwealth Postal Savings Bank would establish a government corporation, to operate exclusively through post offices, to guarantee banking services to all Australians.

I request your support in establishing the CPSB.

Kind Regards,

Mark Best
